Investment portfolio

Investment aims and strategy

The aim of the Aon ERF is to reduce volatility of returns by investing predominantly in fixed interest and cash with a moderate allocation in shares to enhance the potential for the Fund to outperform inflation after fees. The emphasis is on managing risk rather than maximising the investment return.

The Aon ERF invests in funds managed by specialist investment managers. These professional managers each have their own risk management policy statements which specify the use of derivatives. Derivatives are financial instruments with value derived from underlying investments.

Most managers use derivatives such as options, futures and swaps to protect the value of underlying investments or to gain 'synthetic' exposure to the market when there has been a large inflow of cash (eg the purchase of futures contracts to gain exposure to the share market rather than holding cash while waiting to find stocks to buy at an attractive price). The trustee does not invest in derivatives directly.

Investment managers are chosen by the trustee and reviewed from time to time. The trustee has received the risk management statements of each investment held.

Investment objectives

The specific investment objective for the Aon ERF is to achieve a crediting rate (net of all indirect fees) with a 0.5% outperformance of the Consumer Price Index (CPI) over rolling three-year periods.

This strategy aims to limit the probability of a negative return (net of all indirect fees) to one in any five years.

More information

Protection of benefits

All member account balances in the Aon ERF are protected from administration fees and charges exceeding investment earnings. Administration fees charged to members in each reporting period generally cannot exceed investment returns credited to member accounts. Administration fees include entry fees, the annual member fee and exit fees but not taxation or investment management costs.

In addition, it should be noted that in the event that the Aon ERF experiences negative earnings, administration fees may be charged, provided the apportionment of those costs between members is carried out in a 'fair and equitable' manner as prescribed by the superannuation regulations. The investment strategy minimises the likelihood of such negative investment returns.

Surcharge

The surcharge tax was abolished for contributions made after 1 July 2005. This will not, however, affect any existing or previous surcharge tax liability you may have incurred. The surcharge may also apply if you have not provided your tax file number to the trustee.

Unclaimed super

If your benefit in the Aon ERF becomes unclaimed super it may be transferred to the Australian Taxation Office (ATO).

An amount payable to a member of an eligible rollover fund is considered unclaimed super if it meets the following criteria:

- ↳ you have reached the eligibility age (65 years, or older if so prescribed by the superannuation fund's governing rules)
- ↳ after a period of five years since our last contact with you, we have made a reasonable effort to contact you again and have not been able to locate you.

In addition, death benefit payments, temporary residents' payments and payments under \$200 may be treated as unclaimed monies and transferred to the ATO in some circumstances—see the ATO website ato.gov.au for more information.

Indemnity insurance

The trustee has the benefit of professional indemnity insurance cover to protect the trustee, its directors, and the Fund.

Trust deed and significant events

The Aon ERF was established by a trust deed dated 16 December 2003 which has been amended from time to time. The trust deed has not been amended during the financial year ended 30 June 2010. There were no significant events noted during that financial year.

Effective at 1 December 2010, the member fees for balances under \$500 will reduce from \$30 pa to \$17.52 pa.

- ↳ Steven Gaffney
- ↳ Paul Mazoudier—Chairman and non-executive trustee director
- ↳ Mike Murphy

Non-executive trustee directors

Non-executive directors have no business dealings or affiliations that could pose a conflict of interest in their role as directors of Aon Superannuation Pty Limited.

The Board exercises a 'duty of care' on behalf of members of the Aon ERF and maintains their best interests in its decision-making and strategy process.

Complaints resolution

The trustee has an established procedure for dealing with member complaints about the operation and management of the Fund. Complaints should be made in writing to the Complaints Officer, Aon ERF, PO Box 1949, Wollongong NSW 2500. The trustee will consider and respond to your complaint within 90 days, but may take more than 90 days in the case of difficult or complicated complaints.

The trustee is obliged to advise you of the decision within 30 days of the decision being made. If you have made a complaint and you are dissatisfied with the decision of the trustee, you may have a right to lodge a complaint with the Superannuation Complaints Tribunal (SCT).

If the SCT accepts your complaint, it will try to help you and the trustee to reach a mutual agreement through conciliation.

For more information on this process, you can contact the SCT on 1300 884 114, or in writing to Locked Bag 3060, Melbourne Vic 3001.

Compliance

The Aon ERF is administered at all times to comply with provisions contained in the Superannuation Industry (Supervision) Act 1993 and Regulations, the Corporations Act 2001 and Regulations, and other superannuation laws.

Various supervisory functions are carried out by the Australian Prudential Regulation Authority (APRA), the Australian Securities and Investments Commission (ASIC) and/or the Australian Taxation Office (ATO).

No penalties have been imposed on the Aon ERF and/or the trustee for any kind of non-compliance during the 2009/2010 year. The trustee is not aware of any matter that would cause the Aon ERF to lose its complying status, and expects to continue to comply with all relevant legislation.
